## Introduction of New Corporate Name

**It is our great pleasure to announce that our organization is to rename TOKYO FINANCIAL EXCHANGE INC., replacing the current TOKYO INTERNATIONAL FINANCIAL FUTUERS EXCHANGE INC.**

**The introduction of the new name coincides with our new endeavor to make inroads into new market and launch new products, which involves round-the-clock transaction, new products launch targeted at retail investors and active utilization of Internet.**

**Removing “futures” from our corporate name indicates our vision to transform the fix-income focused boutique marketplace into an overarching exchange with a wider product-range.**

**We highly appreciate your continued support for our exchange, and truly hope our good relationship to prosper down the road.**

**We would like to request you to keep this change in mind whenever you happen to find our former name in any publication.**
