Article 1. Purpose

The purpose of these Regulations shall be to set forth necessary matters with respect to the kinds of negotiable securities to be deposited with the Exchange as appropriation for market entry deposit and the appropriable amount thereof upon depositing in accordance with Article 12.4 of the Trading Member Regulations.

Article 2. Kinds, Appropriable Amount and Revaluation of Eligible Securities

2.1 The kinds of the negotiable securities to be deposited with the Exchange as appropriation for market entry deposit (hereinafter called “Eligible Securities for Market Entry Deposit”) shall be those listed in the Appendix attached hereto, and the appropriable amount upon depositing of the same shall be the amount not exceeding the market price thereof provided for in Note 2 to the said Appendix as of the second (2nd) business day (meaning the “business day” set forth in Article 6-2 of the Trading Regulations; the same shall apply hereinbelow) prior to the business day on which the deposit is made (if such second (2nd) business day falls on a holiday of the relevant financial instruments exchange within Japan, the immediately preceding business day of such exchange) multiplied by the applicable rate set forth in the said Appendix.

2.2 In respect of Eligible Securities for Market Entry Deposit having already been deposited, the appropriable amount thereof shall be calculated after close of the day session (meaning the day session set forth in Article 5.1(2)(a) of the Trading Regulations) on each and every business day as the product of the market price thereof provided for in Note 2 to the Appendix attached hereto as of the immediately preceding business day (if such business day falls on a holiday of the relevant financial instruments exchange within Japan, the immediately preceding business day of such exchange) multiplied by the applicable rate set forth in the said Appendix.

2.3 If any deficiency arises in the market entry deposit as a result of the calculation of the appropriate amount under Article 2.2 above, the relevant Trading Member shall deposit the amount of cash or negotiable securities not less than such deficiency as the market entry deposit with the Exchange by 11:00 a.m. on the business day immediately following the business day on which the said calculation is made, provided that the date of such deposit may be separately prescribed by the Exchange if it is deemed necessary to do so by the Exchange.

Article 3. Adjustment to Fractional Amount

With respect to the negotiable securities set forth in the Appendix attached hereto, any fractional amount arising from calculation of the appropriable amount of those negotiable securities shall be adjusted as follows:

- (1) With respect to stocks set forth in 2 of the Appendix attached hereto:

Any fractional amount less than one (1) Yen shall be discarded.

- (2) With respect to the negotiable securities other than those set forth in (1) above:

Any fractional amount less than one-hundredth (1/100) Yen shall be discarded.

Article 4. Manner of Deposit of Eligible Securities

4.1 The Japanese Government bonds set forth in 1 of the Appendix attached hereto may be deposited by way of transfer to the account opened and maintained in the name of the Exchange with the Bank of Japan.

4.2 The stocks set forth in 2 of the Appendix attached hereto may be deposited by way of transfer to the account opened and maintained in the name of the Exchange with Japan Securities Depository Center, Inc.

Article 5. Exclusion from Scope of Eligible Securities

If stocks listed in 2 of the Appendix attached hereto designated as eligible securities for market entry deposit fall under the criteria for delisting at all financial instruments exchanges in Japan on which such negotiable securities are listed for any reason other than those specified in (1) through (3) below, such stocks shall be excluded from the eligible securities for market entry deposit as from the business day immediately following the day on which they fall under the criteria:

- (1) The issuer of the stock becomes a wholly-owned subsidiary of a

company whose stock is listed on an exchange financial instruments market in Japan (hereinafter called “Listed Company”) as a consequence of share exchange or share transfer; or

- (2) The issuer of the stock is merged with a Listed Company; or
- (3) The stock is delisted for any other reason and the stock delivered in exchange therefor is expected to be promptly listed on an exchange financial instruments market in Japan.

Article 6. (Deleted)

Article 7. Ownership of Eligible Securities

A Trading Member may deposit as eligible securities only those negotiable securities in respect of which it is the substantive owner.

Article 8. (Deleted)
